RAINA ZHENG

RAINAZHENG.DESIGN RAINA.ZHENG@GMAIL.COM (240) - 898 - 8382

SUMMARY

EXPERIENCE

I'm a user experience designer with a zeal for empathetic design and human-centered problem solving.

Epic Systems Corporation • QA & UX Analyst July 2015 - July 2018 · Verona, WI

• Facilitated dozens of remote and in-person usability tests (including task-based testing, A/B testing, and card sorts) for cardiology enhancement projects

SKILLS

• Led design discussions and made sure each project underwent multiple stages of iterative testing

Design and UX

User research

Sketching

Wireframing

Prototyping

Usability testing

PROJECTS

Muse • Web and Android Prototype

A high-quality photo sharing and organization app concept design.

Tools

Figma

Sketch

InVision

GitHub

• Discovered user goals via surveys, personas, and stories

 Created low- and hi-fi mockups and crafted prototypes using Figma and InVision.

JavaScript, HTML, CSS

JQuery

UsabilityHub

EDUCATION

University of Maryland, College Park

2011-2015

Bachelor of Science Finance, Art History Minor
